

'ARN History' functionality at Tax officer level in BO

1. Introduction of ARN History:

Hyperlink '[ARN History](#)' link has been introduced in '*Processing of New Registration*' application page. The History of ARN will be made available while processing the *New Registration application for Normal Taxpayers*, which will also be available to download in PDF format.

2. Enhancements in Record Search and Search ARN screen:

- ARN history hyperlink has been provided to view the entire activity related to the ARN in 'Record Search' and 'Search ARN' screen.
- In 'Record Search', brief description will be displayed for the cases where SCN is issued and Order is pending or is rejected.

Note: 1. Presently, this functionality is available only for Normal Taxpayers.

2. Normal Taxpayer type includes Regular, Composition, Casual, ISD, SEZ Unit and SEZ Developer.
